H CLASS

TOUGHBOOK

Introducing ErgonoFlex **TB Mobile Cart H Class: Panasonic Toughbook** On Wheels.

We call it a ErgonoFlex C.O.W, an ergonomically designed height adjustable Toughbook cart that delivers point-of-care technology improving workflow and increasing accuracy. ErgonoFlex proprietary lift "StS" technology offers an unsurpassed 18" of ergonomic height adjustment range, up Position 119,38 cm, down Position 73,66 cm, rugged construction, and space saving accessibility.

Its Docking Station is interdependent at the station and protected.

With its fanless design and sealed ports the **Panasonic CF-H1** and the **TB Mobile Cart H Class** is easy to disinfect and meets Hospital Safety Certifications.

The **CF-H1 MCA** and his **TB Mobile Cart H Class** allows doctors and nursing staff to benefit from instant access to medical records, accurate documentation of patient conditions and medication and subsequently leading to higher operational efficiency for Healthcare Professionals.

## IMPROVING OPERATIONAL EFFICIENCY FOR HEALTHCARE PROFESSIONALS
