Medical Arm Combo H Class WT 48, height adjustable, 104 cm, wall mount

- * Beauty - Strength - Exceptional Range
- * Rock solid and out of the wall

This wall-mounted workstation provides optimum technological access, thanks to effortless positioning of the monitor and keyboard to meet the ergonomic requirements of a seated or standing person. H Class WT restores the standard for suspended workstations. The H Class WT workstation is the best of both worlds with generous storage and working space as well as keyboard and mouse space.

Flap keyboard platform. The flap keyboard platform includes the mouse and keyboard.

LCD swivel arm 180 ° adjustable in height of the notch on a range of 5 cm. It is equipped with a large worktop on its upper part. Our H Class WT workstations facilitate highly efficient interactions. Whatever the work requirements, our H Class WT workstations are designed to exceed requirements and are designed to last.
