Part Number: WM 555.6060

Small Vesa 75/100 mm screen mounting for Workimed medical carts.

This slim, sturdy steel bracket can be removed and reinstalled in seconds. It is the easiest way to install a 75/100mm VESA compliant screen on one of the WorkiMed trolleys. It is fixed in the rail provided for this purpose along the column.

Colour RAL 9016 White
